The Symphonic Orchestra at Center Grove High School is the advanced orchestra ensemble class. All members of this orchestra have gone through an audition process to be a part of the orchestra. Orchestra members are held to a high expectation of practice time outside of class and a high performance level on stage, as this is a weighted course. Music performed by this group is mostly from the HS Group 1 and 2 on the ISSMA list. Students are not required to take private lessons, but are highly encouraged to.

Auditions for Symphonic Orchestra will consist of two performing requirements:

1. Two Scales: The fingerings on the scale sheet are suggestions. You can use other finger patterns that work better for you. You pick one and Ms. Deaton will pick one.
2. Excerpts from repertoire to be performed in Symphonic Orchestra in the near future.

Evaluation:

Students will be evaluated using the Center Grove Orchestras Performance Assessment Rubric.

Additional Information:

1. Auditions will take place with Ms. Deaton only. Ms. Deaton will be audio recording all auditions.
2. Along with your performance, you must also have a good recommendation from your current orchestra teacher. Ms. Deaton will talk with Mr. Shimp as well as private teachers, if applicable.
3. Results from auditions will be shared one-to-two weeks after the audition deadline.
4. Ms. Deaton will make sure you are enrolled in the correct class if you are accepted in to Symphonic Orchestra.
5. Remember-there is a limited number of spots for this orchestra. Just because you don't make it, does not mean that you are a bad player.

If you have any questions, please reach out to Ms. Deaton at deatonl@centergrove.k12.in.us
