November 30, 2022

Dear Second Grade Parents/Guardians,

Each and every day, teachers, principals, staff, and administrators at Center Grove Community Schools strive to create and foster environments where our early readers thrive. The Indiana Department of Education is also committed to supporting early literacy and now offers flexibility to schools in administering IREAD-3 to second graders.

**This spring, CGCSC second grade students will participate in IREAD-3.** This is an opportunity for second graders to experience IREAD-3, and it will allow teachers to align instruction with additional targeted support for our early readers. The testing window is **March 6-10, 2023.** You can assist your child’s school by making sure your child does not miss any school days that week and comes to school well-rested.

The score your child receives will fall into one of three categories: Pass, On Track, or At Risk. **These categories and what they mean are different from third graders who will take the test.**

### What will the test results mean for my Second Grade child?

If my child receives...	This means your child...
<b>PASS</b>	<ul style="list-style-type: none"> <li>● Has Passed the requirement for IREAD-3</li> <li>● Will <b>NOT</b> need to take IREAD-3 in Grade 3.</li> </ul>
<b>ON TRACK</b>	<ul style="list-style-type: none"> <li>● Is on-track with foundational reading skills, as measured by IREAD-3.</li> <li>● Will take IREAD-3 again in Grade 3.</li> </ul>
<b>AT RISK</b>	<ul style="list-style-type: none"> <li>● Will continue to receive support and his/her teacher will utilize the test score report to design targeted support to meet his/her needs.</li> <li>● Will be invited to attend <b>optional</b> summer school that takes place June 5- 22, 2023.</li> <li>● Will take IREAD-3 again in Grade 3.</li> </ul>

We appreciate your partnership in developing early literacy skills with your child that are foundational to future success. If you have additional questions or would like more information, please reach out to your child’s teacher or building principal.

Sincerely,

Mrs. Marcy Szostak

Director of Elementary Teaching & Learning
