

Southside Tennis @ CG

The first year of the summer program was started by one instructor in 1973 for CG area players. Over the past 48 years, the program has expanded to train thousands of players from over 50 different Indiana schools. We have produced multiple State Champions and many All-State Players. We serve players of all ages and ability levels and have a passion for building character in young people. In 2019, Southside Tennis at CG was awarded the Indiana High School Tennis Association's Ed Yarborough Community Service Award, which annually honors a program that has demonstrated a long-time commitment to developing tennis in their community.

Summer Long Clinics – Middle and High School

The Summer Long course options are for Middle and High School Players. Classes will meet Monday through Thursday for the entire summer. The course option you purchase will give you a particular number of days for your student to attend on any days of the summer you wish. Players will receive an attendance card they will bring each class to track attendance. You will also see “all day” course options, which gives your player the chance to attend our afternoon match play clinic in addition to the morning clinic. This is highly recommended for maximum improvement during the summer.
