Vision USA

1-800-766-4466

Vision USA provides basic eye health and vision care free of charge to low-income individuals and family members who have no alternative way of obtaining care. Their headquarters are in St. Louis, MO; however, they work with eye professionals across the country. The basic guidelines are:

- 1) Someone in the household is working at least part time;
- 2) The person seeking care has no public or private insurance that covers eye exams;
- 3) The person has not had an eye exam in the last 2 years; and
- 4) The household is low-income and unable to pay for eye exams.

Note: If additional resources are needed, try searching on-line, calling other neighborhood community centers, or the United Way.
