NFL Super Kids-Super Sharing Project

Maple Grove Student Council, along with NFL, the Colts, the 2012 Indianapolis Super Bowl Host Committee, and Martin University are taking part in a Super Bowl donation project called Super Kids-Super Sharing.

Our school is collecting lightly used (or new) books, sports equipment and school supplies. Donated items will be distributed to lower income schools and to programs that serve local children in need.

Please check your closets, toy boxes and garage for balls, gloves, cleats and other sports equipment you are no longer using. Take a moment to clear unwanted books off your shelves, and consider donating much needed school supplies.

Beginning December 1, 2011 bring those items to school and place them in collection boxes located near the entrance of the school. All types of sports equipment, books of all reading levels, and all types of school supplies are needed.

Join us as the Super Kids here at Maple Grove Elementary School share with others and make a difference in the lives of children this Super Bowl season.

Questions? Contact Sally Hacker, Director of Human Resources for CGCSC.

ATTENTION ALL 5th GRADE PARENTS:

Get a jump start in preparing your child for 6th grade by getting their immunizations up-to-date!

The Indiana State Department of Health requires the following additional immunizations for all students entering 6th grade:

* One meningococcal conjugate vaccine (MCV4)
* One Tdap (tetanus, diphtheria, and pertussis) booster, after 10 years of age
* Two doses of varicella vaccine (or a history of chickenpox disease)

We wanted to let you know now so you will have plenty of time to schedule an appointment to update your child’s immunizations with their medical provider.

If you are uninsured or your current insurance plan doesn’t pay for immunizations, your child might be eligible to get them at the Johnson County Health Department for a small fee. Please call the JC Health Department at 346-46368 for more information.

After your child receives these immunizations, please send in or fax a copy of their updated immunization record to the school clinic. Please contact the school nurse, Jodi Behnke, R.N. @ 881-0561, ext. 8064 with any questions! Thank you!
