<b>Grade Level:</b>	

<b>Baseline Condition: Competency 1.1</b>	<i>Describe a condition currently taking place which you hope to impact by implementing this goal. Be sure to include any data and specifics that helped drive this decision.</i>

<b>Goal: Competencies 1.2, 3.4</b>	<i>Describe the ideal state of student learning that you are trying to achieve. This goal should include a plan for continual student learning growth, reflect building or corporation goals in explicit statements, and easily relate to the Baseline Condition. This goal should also be concise, measurable, and reflect opportunities to measure progress at designated times.</i>

<b>Strategies: Competencies 1.4, 2.1, 2.2</b>	<i>Describe three or more specific actions that will lead to the accomplishment of your goal. These strategies must be realistic, reliant upon self-action, connected to the goal, measureable, demonstrate a longer period of time, and are based on sound educational research.</i>

<b>Evidence of Progress: Competencies 1.3, 1.5, 2.4</b>	<i>Describe three or more data points that support attainment of or progress towards your goal. These data points should reveal progress of student learning, meet or exceed goal expectations, and demonstrate a long term-evaluation period.</i>

<b>Reflection:</b>	<i>Evaluate your progress toward attainment of your goal and specific strategies. Provide documented evidence that the implementation of the goal has had an effect on student achievement as well as the school or corporation's mission. Be sure to include documented evidence that your teaching pedagogy has changed because of this process and the new knowledge you gained along the way. Also, mention what your next steps will be.</i>
