

Slide 1 - Slide 1

The screenshot shows the Skyward Educator Access Plus web application interface. The browser title is "Skyward Educator Access Plus - Windows Internet Explorer". The top navigation bar includes the Skyward logo and several menu items: EDUCATOR ACCESS™ plus, PRODUCT SETUP, STUDENT MANAGEMENT, HUMAN RESOURCES, and FINANCIAL MANAGEMENT. The user name is JACOB BAUMANN, and there are links for Login History, Print Queue, and Exit.

The main content area is titled "Educator Access Plus Home Page" and includes a welcome message: "Welcome to Skyward's Educator Access Plus System. 2005-06 SCHOOL YEAR". Below this is a motivational quote: "MAKE IT A GREAT DAY FOR YOU AND YOUR STUDENTS!". A date and time stamp reads "May 14, 2007 at 2:34 PM.". There is also a link to "Edit this Page".

A yellow callout box is overlaid on the interface, containing the following text:

Student Portfolio
Select Educator Access Plus, Teacher Access, My Students.

What is Student Portfolio?
The Student Portfolio option is used to create, view, and delete scanned images and audio clips of school work the student has completed.

The left sidebar contains a tree view of the application's structure, including folders for Educator Access Plus, Teacher Access, Student Services, Advisor Access, and Administrator Access, each with its own set of sub-items.
