

We are an organization that exists through the support of volunteers! Our staff and students love to see parents & grandparents helping at school events and activities. It's an incredible opportunity to share your time and talents while interacting with your child in their classroom element.

A wide variety of volunteer opportunities, ranging from 1-2 hours to unlimited time commitments are needed throughout the school year. Please consider volunteering this year, whether by collecting BoxTops, preparing a dish for Teacher Conference Pitch-In Dinners, Coordinating an event like Book Fair or Fun Run. All of these are important to our school community. Your time and efforts are always appreciated by teachers, staff, and most importantly, the kids at PGES.

Volunteer opportunities are sorted below based on time commitments
