Center Grove named “Top Workplace” for third consecutive year

Greenwood, IN (April 20, 2015) – For the third year, Center Grove Community School Corporation (CGCSC) has been named a Top Workplace in Central Indiana. Center Grove also received the honor in 2013 and 2014.

The *Indianapolis Star* selected Center Grove based on a survey of employees by Workplace Dynamics which measured qualities such as company leadership, communication, career advancement opportunities, working environment, managerial skills, pay, and benefits.

“We are thrilled to receive this prestigious honor for a third year in a row,” said Dr. Rich Arkanoff, superintendent. “We are always looking for ways to enhance our commitment to the well-being of our employees. This award validates the hard work of the many people who make sure we are doing everything we can to support, challenge, and reward our employees.”

In January, Center Grove opened Bright Beginnings Early Learning Academy, a preschool and child care center for children and grandchildren of Center Grove employees. Center Grove also provides employees with professional development opportunities and access to a wellness clinic, staffed by IU Health, for those on the corporation's health insurance plan.

Center Grove was recognized in the large company category and is among 85 businesses in Central Indiana to receive the honor. The full list of Top Workplaces is published at topworkplaces.com.
