## **Center Grove Middle School North to host Indiana Academic Super Bowl competition**

(April 30, 2015) - On Saturday, May 2, 2015, Center Grove Middle School North will host 19 middle schools for the Indiana Academic Super Bowl Junior Division Area Competition. The 28<sup>th</sup> annual statewide competition is sponsored by the Indiana Association of State Principals (IASP).

Middle School North is one of 15 venues around the state where approximately 3,800 students will compete. Each school will be represented in the competition by three to five persons on a subject area squad with as many as 30 students representing the school on the various squads.

Subject area rounds will be held in Social Studies, Mathematics, English, and Science. A fifth round of competition, the Interdisciplinary, will be the climax of the competition. Subject area squads will be attempting to win area awards and qualify for state placings.

The theme of the competition is "The Grandeur that was Rome." The spirited competition has spectator appeal as it will be held in the school gymnasium or auditorium with all teams responding to the same questions and the team scores updated after each question. The order of competition will be Science, Social Studies, Math, English, and Interdisciplinary.

Certificates will be awarded to all team members. Ribbons will be awarded to the 1st, 2nd, and 3rd place squads. Plaques and medals will be awarded by IASP to the top three teams statewide by subject area in each enrollment classification.

Prior to this competition, Invitational competitions were held to "warm-up" for the Area competitions at various host sites around the state.

Winners of Saturday's competition will compete at the 29th Annual Indiana Academic Super Bowl State Finals at Purdue University's Loeb Playhouse on Saturday, May 9.

Statewide results will be posted on the IASP website, [www.iasp.org](http://www.iasp.org) on Monday, May 4th, by 3:30 p.m.
