Center Grove senior named to all-American football team

(Greenwood, IN) – Center Grove High School senior Cameron Tidd has received all-American honors with his selection to the Blue-Grey North-South Game. Tidd plays defensive tackle for the CGHS varsity football team and helped lead his team to the 6A State Football Championship in November. Tidd has accepted a full scholarship to play football at Vanderbilt University in Nashville, Tennessee.

"I am thankful for the coaches that have helped me get to this level," said Cameron. "I am also thankful for the support I was given from the community and I wouldn't have wanted to play anywhere else."

"I am excited for Cam on all of his accomplishments," said Brock Tidd, Cameron's father. "Mostly, I am proud of him for his humbleness. He has always been more focused on his team and this community. He, like the rest of the team, had one goal this season. That accomplishment with his team means more to him than any personal award."

The Blue-Grey North-South Game will be played at Raymond James Stadium in Tampa, Florida on Saturday, January 9, 2016.
