Center Grove senior named to All-America Soccer Team

(Greenwood, IN) – Center Grove High School senior Hayden Gorall was named to the 2015 National Soccer Coaches Association of America (NSCAA) Fall High School Boys All-America Team. The 56-member team was announced on Monday, December 7, 2015.

Players for the All-American game are chosen based on their career high school achievements and must have played their senior season in high school. Gorall helped lead the Center Grove High School varsity soccer team to the Class 2A State Soccer Championship in October. Gorall has been named to the Indiana All-State soccer team twice.

"It's a great honor to have received such a prestigious award," said Hayden. "I'm very appreciative of the support my family, teammates, and coaches have all granted me to help me get to this point."

"We are blessed to have a wonderful young man for a son who has a passion for soccer and is willing to put in the work it takes to be successful," said Sam Gorall, Hayden's father. "He has been fortunate to have had great coaches and teammates over the years that share this honor with him."

Student-athletes named to the team will be honored at the annual NSCAA All-America Luncheon on Saturday, January 16, 2016 in Baltimore, Maryland. The event honors All-America players at the youth, high school and college levels and is held in conjunction with the 69th annual NSCAA Convention.
