Presented to the Center Grove
Board of School Trustees
June 16, 2015

Goal Development Process

Participants: 300+ CG100 & 60+ SP2.0

127 Wonderings

40 Goal Ideas

21 Categorized Goal Ideas

7-9 Draft Goals

7 Goals

Character Education

Center Grove students will display exemplary character by increasing their personal and social growth.

STEM Integration

Students will increase their performance in Science, Technology, Engineering and Math.

Funding Communication

We will increase the community's understanding of the value they receive in their investment in Center Grove Schools.

Teacher Capacity Building

Teachers will continually increase their instructional ability.

Cultural, Social, Emotional and Economic Differences

All staff and students will increase their understanding and appreciation of cultural, social, emotional and economic differences.

Connected Learning

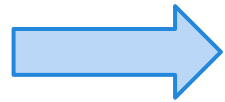

We will increase the effectiveness of instructional technology to improve student learning.

Learning Needs of Diverse Student Body

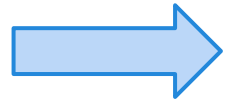

We will meet the learning needs of our diverse student body.

Where Will We Go From Here?

Develop Baseline for benchmark identification and goal achievement.

Identify powerful strategies that will move us toward achieving our goals.
