Siner chosen to be next principal of North Grove Elementary

GREENWOOD, IN (February 8, 2018) – Ron Siner will become the new principal of North Grove Elementary School in July 2018. Mr. Siner's hiring was approved by the Center Grove Board of School Trustees at its February 8, 2018 meeting.

Mr. Siner is currently the assistant principal of Sugar Grove Elementary, a position he has held since June 2017. He started his teaching career in July 2001 as a 3rd Grade teach at Sugar Grove Elementary. He has also served as an assistant principal at Maple Grove Elementary, North Grove Elementary, and Center Grove Elementary.

"We are excited to provide Mr. Siner with this opportunity and confident that he will continue the strong leadership and culture of achievement that Brian Proctor has established," said Dr. Rich Arkanoff, superintendent.

"While I have been fortunate to have had many awesome years as an assistant principal in our district, it has been my professional goal to one day lead a school as a building principal," said Siner. "I am excited to start that opportunity this summer."

Siner holds a bachelor's degree in Elementary Education from Indiana State University and a master's degree in Educational Administration from Butler University. He and his wife, Kara, have two children and live in the Center Grove area.

Siner will replace Brian Proctor at North Grove, who will become principal of the new Walnut Grove Elementary in July 2018. The search for a new assistant principal at Sugar Grove Elementary will begin later this spring.
