CGHS Names Alyssa Coleman Varsity Softball Coach

GREENWOOD, IN (July 25, 2018) – Center Grove High School (CGHS) has chosen Alyssa Coleman as its new head coach for varsity softball. Coleman will also teach Physical Education at CGHS, pending approval by the Center Grove Board of School Trustees at its August 16, 2018 meeting.

Coleman has served as head softball coach for Speedway High School since 2013. She led the team to a Class 2A State Championship in 2018. Coleman played softball for Butler University where she earned a bachelor's degree in Exercise Science. She also holds a master's degree in Athletic Coaching from Ball State University.

"Following in the footsteps of a successful, legendary coach in Russ Milligan would not be an easy task for anyone," said Center Grove Athletic Director Jon Zwitter. "Alyssa presents someone with the maturity, experience and motivation to make the best attempt to fill those shoes. In her six years at Speedway, she has developed into a formidable head coach on the softball diamond. The Center Grove Athletic family welcomes her and wishes her the best as 'she ties up those laces as a Lady Trojan'."

"I couldn't be more thrilled for this opportunity as an educator and as a coach," said Coleman. "I appreciate CGHS and the Athletic Department for entrusting me with carrying on Center Grove Softball's tradition of excellence."

Coleman has served as a physical education teacher in both Speedway and Wayne Township. She replaces long-time coach Russ Milligan, who coached 27 years before resigning his coaching position earlier this month.
