## The February Character Trait of the Month is: Acceptance

**Acceptance; Is imagining it is you.**

Think before you speak. Is this kind?

Don't use mean or nasty word to describe a person.

Would these actions or words make me feel upset or sad?

Can I be helpful here?

What would make me feel good inside?

How would I feel if someone stared or pointed at me?

Talking quietly about someone's difference doesn't mean they can't hear you.

We are all unique in our own way.

## **Notes from the Office**

### **Pick up Patrol**

When entering absences, please be specific with symptoms. This will only be seen by the office.

Please enter any plan changes by 10:00 am each morning to ensure that your students' teacher is notified. Do not call the office with last minute changes after 2:55 as FINAL REPORTS go out to teachers at 3:00 (2:00 on early release Wed.). Calls after this time are not only disruptive to our dismissal process but also to our classrooms. Thank you for your help!

### **Reminders**

Please label coats, hats, gloves, masks, lunch boxes, water bottles, etc... To help us get those returned.

Make sure to keep an extra mask in your child's backpack. We have had a lot of masks breaking.

Reminder to send a snack and send a water bottle to leave at school for your student to use throughout the day.

Once a student has left the building for the day, they will not be allowed back in to retrieve forgotten items.

2<sup>nd</sup> Semester fees are now applied to Skyward. You may pay online using e funds, send check in to school or pay over the phone by credit card.
