## CGHS Student Council honored as National Gold Council of Excellence for 3rd consecutive year

GREENWOOD, IN (April 16, 2020) – The National Student Council (NatStuCo) has named Center Grove High School's Student Council a 2020 National Gold Council of Excellence for the third consecutive year.

"CGHS student council works diligently to make our school a better place," said Tracy McMahan, assistant principal. "From planning events to foster school spirit or hosting MIC and county leadership seminars, our members and sponsors go above and beyond every time. We are so proud of all they do for our school and for others."

"Receiving a National Gold Council of Excellence Award reflects the highest dedication on the part of the school to providing a strong, well-rounded student council program," said Nara Lee, National Association of Secondary School Principals (NASSP) Director of Student Leadership. "NatStuCo applauds the work of the National Gold Councils of Excellence and challenges them to continue their leadership and service to their schools and communities."

To meet the requirements for the National Council of Excellence Award, a student council must meet a variety of criteria. In addition to basic requirements such as a written constitution, regular meetings, a democratic election process, the councils have demonstrated successful sponsorship and participation in activities such as leadership development and service to the school and community. Councils awarded the gold level of the award have successfully demonstrated the highest levels of leadership.
