The Johnson County Health Department can accept all patients regardless of insurance status. This includes anyone who is fully insured, has Hoosier Healthwise, or is uninsured. Call the Johnson County Health Department at 317-346-4368 for more information or to make an appointment.

After your child receives these immunizations, please send in or fax a copy of their updated immunization record to the school clinic.

Please contact your school nurse or clinic assistant if you any questions regarding these requirements.
