Statement from Jeffrey M. Henderson, Ed.D., Principal, Center Grove High School

Our Center Grove family has experienced a tremendous loss. Russ Milligan impacted countless lives throughout his 31 years of teaching chemistry. He was also a Hall of Fame softball coach, leading his teams to five state championships. Mr. Milligan's family, friends, current and former students, former players and their families are in our thoughts and prayers during this very difficult time. Counselors will be available this week for students and staff who wish to speak with someone.
