## Fisher Named Next Center Grove High School Asst. Athletic Director

GREENWOOD, IN (March 3, 2021) – Katherine Fisher will succeed Scott Knapp as Center Grove High School (CGHS) Assistant Athletic Director on July 1<sup>st</sup>. Fisher's appointment is pending approval by the CGCSC Board of School Trustees at its March meeting. In January, the Board approved Knapp's appointment to CGHS Athletic Director. He will replace Jon Zwitt who will retire at the end of June.

Fisher is in her sixth year as Head Varsity Girls Basketball Coach at Bishop Chatard High School where she teaches PE/Health. Prior to Chatard, Fisher spent two years at Emmerich Manual High School where she served as Director of Athletics and Community and Parent Liaison. She previously worked as an assistant women's basketball coach at University of Indianapolis where she also served as a graduate assistant for Athletic Development and Marketing.

"I'm extremely excited to be the next Assistant Athletic Director at Center Grove High School," said Fisher. "It will be an honor to serve in this position in a community which demonstrates excellence on all levels. Thank you to Dr. Henderson, Scott Knapp, and the hiring committee for this incredible opportunity. I'm looking forward to working with the athletic department, coaches, student-athletes, families, and community members to continue the success at CGHS."

"Katie's background in both collegiate and high school athletic administration, along with her time as a collegiate athlete and high school head coach, made her the perfect candidate to take our Athletic Department to the next level," said Knapp. "Katie has the drive, creativity, and work ethic to help elevate our student-athletes, our coaches, and the entire Center Grove athletic community. I look forward to working with Katie and collaborating on new ideas that will ensure Center Grove continues to be the standard of excellence in athletics throughout the state of Indiana."

"Katie has a great understanding of education-based athletics," said Jeff Henderson, Ed.D., CGHS principal. "As a three-sport athlete in high school, and a two-sport athlete in college, she understands the demands a competitive athlete faces while balancing a high-quality education. Her experience in fundraising and her previous experience as an Athletic Director have prepared her well for this new role. I am excited to have her join our administrative team in July."

Fisher received her Bachelor of Science in Sport Management and Master of Arts in Applied Sociology from University of Indianapolis. She completed a Transition to Teaching program at Indiana Wesleyan University. Fisher and her husband, Kyle, live in Greenwood, with their two daughters.
