Center Grove High School Names Aquatics Director

GREENWOOD, IN (July 26, 2021) – Center Grove High School has chosen Bradley Smith as the school's first Aquatics Director. Smith's appointment is pending approval by the CGCSC Board of School Trustees at its August meeting.

The Center Grove Aquatics Director will play a vital role in the operation of the new Center Grove High School natatorium. The director will be responsible for managing and coordinating the use of the pool in full partnership with the Center Grove High School Athletic Department, Center Grove Swim Club, and the Center Grove community. The director will also be tasked with organizing a comprehensive program of activities and instructional opportunities that address a variety of aquatic interests, skills, and age groups.

"We are excited to bring Brad Smith on board filling our newest position as Aquatics Director," said Scott Knapp, CGHS Athletic Director. "He brings with him a great knowledge of facility management and swim programming that will benefit the entire Center Grove community. His passion and enthusiasm for the sport will ensure this outstanding facility is well cared for and fully utilized."

Smith brings 27 years of experience managing swim facilities and programs to CGHS. He is the current head coach for Indian Creek High School and Middle School. He also serves as the Community Programming Supervisor for Indian Creek Schools, as well as head coach and meet director for the Indian Creek Aquatic Club. Smith is an 8th grade Health/Physical Education teacher at Indian Creek Middle School. He has also served as the Aquatics Director for Indian Creek Schools. He previously taught 7th and 8th grade health at Batchelor Middle School in Bloomington.

"I am extremely excited for the opportunity to join the CG community," said Smith. "Center Grove has a rich tradition in the pool, and I look forward to helping the Trojans take it to the next level."

Smith holds a bachelor's degree in Applied Health Science from Indiana University. He is a licensed water safety instructor, certified lifeguard, and First Aid/CPR/AED instructor.
