GREENWOOD, IN (April 21, 2023) – The Indiana Association of School Principals has named Center Grove High School Senior Brinna Porat as a 2023 Regional Academic All-Star. Porat plans to attend Purdue University this fall to study biomedical engineering.

Porat is one of 50 high school seniors selected from 276 nominees from across the state. Each accredited Indiana high school may nominate one senior. Academic All-Star distinction recognizes seniors who excel in the classroom first and foremost, but who also are actively involved in their schools and communities, and take on leadership roles in those activities.

Students were honored at an awards program on Thursday, April 20 in Indianapolis.
